## Redefining Windows & Doors

The all new Residence 7 Collection is now available from Sun. With a fantastic 10 year guarantee, these energy rated windows have a beautiful flush sash, inside and out. Available in a range of colours, finishes and styles, it really is versatile without complication.

R7 outperforms many other systems with a sophisticated 7 chamber design and intelligent features. It is the ideal solution for a wide range of properties, such as modern new builds, city apartments, country cottages and semi-detached houses, with everything in between, Residence 7 is intended to be the window of your choice.

## Flush Sash Inside & Outside

The elegant flush sash interior and exterior gives the R7 products it's sophisticated, modern appearance and versatility to be used for both contemporary new builds and traditional British homes alike. All glass sight-lines are flawlessly equal, providing symmetry for a timeless kerbside appeal.

Choose from one of five glazing beads to fully personalise your choice and continue the flush contemporary appearance with the Square or soften the look with the Decorative.

## Windows & Doors

Finished to perfection, Residence 7 Windows and Doors combine a modern flush sash with industry leading design features and performance in a maintenance free material.

With a huge range available - Casement Windows, Shaped Windows, Bay And Bow Windows, Orangeries, Conservatories, Single Doors And French Doors - R7 has everything you could need for your perfect home.

With a range of luxury colour finishes and hardware options available, Residence 7 creates an individual design statement for your home, allowing you to replace your current windows and doors with a more efficient, secure and captivating system.

## Handles & Stays

Our range of handles and stays includes - key locking Monkey Tail or Pear Drop with matching peg stays in nine different colour options. There is a colour to suit all tastes, ideal for recreating a period allure or to complement a more contemporary appearance.

## Maintenance Free

With no painting, sanding or staining required, R7 products are virtually maintenance free. A simple wipe clean is all they require, so you can spend more time doing the things you enjoy and love!

## Butt Hinge Option

With a choice of dummy or working butt hinges, it's easy to retain the original timber window aesthetics or even create a new feature. Working butt hinges have an added advantage of a clear opening, which can be an ideal solution if your thinking of using it as a fire escape window. Dummy butt hinges can be paired with modern egress and friction hinges.

For further details, request The Residence Collection Hardware brochure which includes the bespoke range of Handles, Peg Stays and Butt Hinges.

## Personalised Internal Style

A glazing bead is the part that secures your glass and by choosing one of our five glazing bead options to suit your individual style, you can personalise the internal aesthetic of your windows. With a choice of both 28mm double glazing and 44mm triple glazing, performance comes as standard.

There are five options to choose from; 28mm Decorative, 2mm Staff, 28mm Square, 44mm Decorative & 44mm Square.

## Complete Bays & Corner-Posts

R7 has a complete range of corner-posts to suit multiple bay angles and designs. From elegantly decorated to stylish square corner posts, contemporary and traditional bay windows and orangeries are easy to create using R7. For further personalisation, why not add Georgian bar?

## Feature & Performance

### Energy Efficient Glazing

Residence 7 is designed to accommodate 'energy efficient glazing' this term is used to describe double glazing or triple glazing used in modern windows. Residence 7 has options for 28mm double glazing or 44mm triple glazing. The glazing bead is always on the inside which contributes to a higher security performance.

### 7 Chamber Design

Residence 7 has been engineered to meet current and anticipated future standards. Other window frames typically offer 3 or 5 chambers and are usually 70mm wide, R7 has 7 chambers and is 75mm wide, resulting in superior thermal, acoustic, strength and security performances.
