Quotation Order Glaz	zed Unglazed	Delivery Collection		
Notes: All windows are internally beaded and viewed from the outside. All gaskets will be supplied black as standard. All glass will have a silver spacer bar and be 28mm Building Regulation compliant. Standard 9 point locking system on all casement windows. Please Note: Our standard specification will be supplied when any box is not ticked, or relevant information is not clarified. If any special items are required that are not standard ie: sash horns / arched inserts / glazing bars / head drip / handle type; please write in special details section for each window. Trickle vents require location to be detailed.
